Girls Soccer: The Greyhounds team (now 4-4 overall) played an exciting and tough match last Friday and Saturday against Dominican and Nicolet)

Senior Day 5/20 (Woodland conference crossover) or 5/23

Tennis: The team had excellent wins over Pewaukee, New Berlin West, and Pius. Senior Day Tomorrow (or when weather allows)

Baseball: Great numbers for the BirdDogs. A lot of battles were won, and few losses that could have gone the other way!

Golf:The Greyhounds team continues to forge through the spring season and its weather-related challenges seen on the course. Shout out to James Schuurman who shot a personal best of 79 at Hawthorne Hills Last weekend

Lax-The Wolfpack had a couple tough losses this week. Wednesday, the Wolfpack lost to rival Homestead. Friday night the Wolfpack came out strong but in the end the Chargers took the W. We will be looking to replace start blocks in VHE and working on gathering quotes from vendors.

Teams up for fall Uniforms: B & G Cross Country- Coaches asked if they can also include a warm-up jacket as all other teams receive home and away uniforms, and XC has one singlet. Jackets are beneficial to a proper warm-up and a unified team look.

12. New Business/New Members

-Tom McClellan attended the meeting. He is a team parent for the BirdDog baseball team and potentially interested in joining the board

-Andrea Zehnder also attended the meeting. She is a parent of a Shorewood LAX athlete. LAX is now an official WIAA sport. The current team, which is a co-op of four schools, has 7 SHS athletes on it. She was asking if the SBC would help fund helmets for the SHS players. Approximate cost would be \$2,000. Right now WFB funds the sport (and houses the equipment) and sends a bill to each school. The board would like more info from TL about how LAX will be funded at the school/district level before it decides on providing additional support.
